Aztec ATX6 Model Description:

This case has a durable plastic outer shell with an anodized inner liner. The Aztec-ATX6 features an ATX design, which can handle all the newest processors. It comes in a 15.1" 1024x768 display and in a 17.1" 1280x1024 display. This product is the lightest of the large screen lunch box styles weighing a considerable 9 pounds less than any other large ATX portable computer. This is the only ATX Case that meets airline standards for carry-on luggage.
